			<b>File 5 - Cross</b>

**Petitioner requests** that the estate's real property parcel (vacant lot) be distributed to him as partial payment for his ordinary services as Executor in the sum of **\$3,830.11**, and for his extraordinary fees in the sum of **\$1,000.00**, for a total of **\$4,830.11**; Decedent's **50%** interest in the parcel of real property is valued at **\$4,000.00** on *Partial No. 2 Inventory and Appraisal* filed on 10/20/2009, and Petitioner waives the **\$830.11** remaining balance owed for his fees.

**Distribution pursuant to Decedent's Will of any other property of the estate not now known or discovered should be distributed in 5 equal shares to:**

- GEORGE MARVIN CROSS –**20%**
- JENNIFER LENORE CROSS, held in Trust by GEORGE M. CROSS –**20%**;
- TERRILL LOUIS CROSS –**20%**;
- ANNE MARIE CROSS –**20%**;
- CHRISTOPHER CROSS –**10%**;
- JOHN LEE CROSS–**10%**.

**Note:** *Petition* does not include information regarding the date the preliminary distributions were made by Petitioner, though it may be inferred from the date of the sale of Decedent's condominium on or after 12/18/2009 that the distributions were made subsequent to the date of sale, given that the estate had very little cash prior to the sale. Probate Code §§ 9100 and 10520 require a waiting period of four months after the date letters are first issued, here **8/18/2009**, prior to making preliminary distributions, and the **12/18/2009** proposed sale date falls directly on the four month mark, thereby showing the distributions likely met the Probate Code § 10520 timeframe. However, Petitioner's preliminary distributions appear **not** to have met the "Probate Code § 10520(a) type of property," which is income received during administration (sale proceeds are not considered income), nor the "10520(c) type of property," which is cash to general pecuniary devisees entitled to it under the Will not to exceed **\$10,000** to any one person. Further, Probate Code § 11623 provides a personal representative with full IAEA authority may petition the court for an order for preliminary distribution on notice, and also requires the aggregate of all property preliminarily distributed **shall not exceed 50%** of the net value of the estate. Petitioner preliminarily distributed sale proceeds of **all except \$3,620.00** in estate cash, exceeding the 50% value limit imposed by the Probate Code and distributing a type of property not specifically allowed for under the Probate Code.

**Atty Smith, Darryl II (Pro Per – Father – Petitioner)**

**Atty Simons, Suzy (Pro Per – Maternal Grandmother – Temporary Guardian)**  
**Ex Parte Petition for Visitation**

**Suzy Simons, Temporary Guardian, filed declarations in response.** Ms. Simons describes an incident where he was upset after talking with his mother on the phone, and believes from what she has seen and been told that Petitioner sells drugs (prescription drugs and pot). Juju likes that he has his own bed to sleep in and a new home. Since then, he has started preschool and is very happy and excited. Additional declarations describe interactions with the mother, but that she has not received any texts or calls from the father (Petitioner).

Ms. Simons describes interactions with the mother, such as instead of calling to say happy birthday to Juju, “most of the conversation was on Courtney’s end, declaring that she missed him and asking him if he missed her and ‘Don’t you want to be with me?’”

Because Juju mentioned to his mom that he went to Shining Star Preschool, Ms. Simons was concerned that she would go there, and let the school administrators know that the parents were not allowed contact with the child at this time until the hearing.

On her way to Court on 5-18-12 to file papers, Ms. Simons drove near Petitioner’s home and saw him leaning into a car. She pulled up and “his eyes were glazed.” The mother’s car was also in the driveway.
